

**COOL AIR™**  
RENTALS LTD

## AIR COOLED PREMIUM PORTABLE

**1.5 TON**

This is our largest unit ideally suited for small office areas which runs on convenient 115 volt power. Quiet operation allows unmatched flexibility.

**Features:**

- Enhanced control capabilities
- Completely portable, sets up in seconds
- Reliable and effective
- Premium sound performance makes this unit extremely quiet

**Applications:**

- Classrooms
- Network Operation Centres
- Office Area Cooling
- Standby Cooling Applications

This premium portable was a great cooling solution when this classroom heated up.

With enhanced fan control capabilities, these units are even quieter than our standard portables.

Equally effective in a server room or retail space, these premium portables deliver cooling at reduced noise levels.

**REAL COOL. REAL FAST.**
