

COOL AIR™
RENTALS LTD

WATER COOLED INDUSTRIAL PORTABLE

5 TON 3TS

This 5 ton is another benchmark unit. This workhorse is one of the most flexible units available. The ideal machine for any urgent cooling application.

Features:

- Completely portable, sets up in minutes
- Roll in, plug in, turn on
- Uses 208 volt three phase power

Applications:

- Emergency Cooling
- Standby Cooling Applications
- Planned Maintenance Shutdowns
- Computer Room Cooling

The backbone of our water cooled fleet. These units are the go to machines when server room cooling problems surface.

Fitted with the alternate 90° plenum, this 5 ton directed its full cooling strength at the server cabinet.

While the store waited for its' upgraded cooling system to be installed, the supplemental 5 tons of cooling this unit provided made conditions manageable. Don't sweat lost retail opportunities, keep staff and clients comfortable with an affordable solution from Cool Air.

REAL COOL. REAL FAST.

WATER COOLED INDUSTRIAL PORTABLE 5 TON 3TS (WC15V23TS)
