

COOL AIR™ RENTALS LTD

OFFICE GROUP

1200 - 6000 CFM

Quiet air movement is what this office ventilation lineup is all about. Environments that require circulation but have budget or noise level constraints will get relief from these versatile fans.

Features:

- Uses minimal power and plugs into a standard 115 volt outlet
- Most models have whisper quiet motors
- Variable speed selections

Applications:

- Office Area Cooling
- Retail Stores
- Doctor/Dentist Offices
- Banks

This 8" desk fan provided ventilation directly on this workspace. The speed and oscillation controls allowed for complete adjustment of the fan for personal comfort.

This stylish black pedestal fan delivered a refreshing breeze with minimal noise. It can be set to oscillate or be locked to blow straight ahead.

This floor fan is great for an office area. Its 3 speeds allow for complete control of the amount of air moved. The perfect fan to use when the building air conditioning is down or ineffective.

REAL COOL. REAL FAST.
