

COOL AIR™ RENTALS LTD

AIR COOLED INDUSTRIAL PORTABLE

25 TON

This is the monster truck of our packaged air cooled fleet and handles any industrial or film industry challenge with ease. If you need big time cooling where the unit must sit outside, this is the unit for you.

Features:

- Available in either skid mounted or air-filled tire versions
- Large lifting eyes allow for easy hoisting from crane truck to working location
- Requires 208 volt three phase power

Applications:

- Temporary Structures
- Film Locations
- Special Events - Festivals
- Planned Maintenance Shutdowns

No matter what your circumstances are, Cool Air has the solution. This facility required long term cooling to keep operations running smoothly. The placement area was not accessible by road so this crane was used to hoist this 25 ton into place.

Special events often require large amounts of cooling. These 25 ton units were installed to keep staff and patrons comfortable, even with the hot summer sun.

The film industry used these units on site to cool UBC Thunderbird Arena. Large areas needing cooling are what these machines are made for.

REAL COOL. REAL FAST.

AIR COOLED INDUSTRIAL PORTABLE 25 TON c/w 54 kW HEAT on some units (ACI25H23)

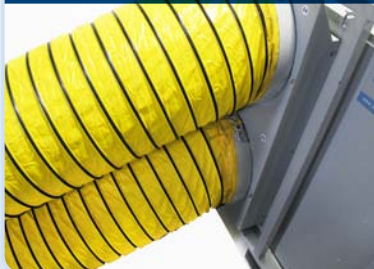

COOLING		PHYSICAL	
Capacity	300,000 BTU	Controls	Remote Thermostat or Push Button
Capacity - Cooling	25 ton	Evaporator Air Flow	10,000 CFM
Capacity - Heating	54 kW	Supply Air Duct	2 x 24" up to 100'
Capacity	Approx. 10,000 Sq. ft.	Return Air Duct	2 x 20"
Refrigerant	R22	Condensate Collection	Gravity
ELECTRICAL		Filter Type	2" Box Style AP 7
Voltage	208	Filter Size	8 @ 20" x 25"
Phase	Three	Caster Type	6" Phenolic or Dual 12" Air-filled
Breaker Size - Cooling	150 Amps	Dimensions - Width	94" 239 cm
Current Draw - Cooling	92 Amps	Dimensions - Depth	132" 335 cm
Breaker Size - Heating	200 Amps	Dimensions - Height	76" / 85" 193 / 216 cm
Current Draw - Heating	162 Amps	Dim - Height - Frame only	69" 175 cm
Plug	Cam-Lok	Weight	4651 lbs 2110 kg
Power Cord Length	3'		
Power Cord Wire Size	#2 C-way or convertible to 2/4 Cab Tire		

ROLL IN

Heavy duty casters and good mobility make locating these units a breeze.

PLUG IN

Easily attached industrial flex duct allows for frosty air to be delivered exactly where you want it.

TURN ON

From simple push button ON/OFF control to the ability to hook up a thermostat, these units adapt easily to any application.

We also rent portable air conditioning units, fans, air movers, and industrial strength heating units. Visit www.cool-air.com for our full line of rental equipment.
