

COOL AIR™ HEAT

ELECTRIC FURNACE - HORIZONTAL

18 kW

This horizontal electric furnace is compact yet surprisingly powerful. This heater is ideal for situations that require a quiet, portable unit that can provide the heating punch that you need.

Features:

- Completely ready for simple electrical hook-up
- Dry, safe and quiet
- No hazardous exhaust or troublesome re-fueling problems
- Warm air is ductable up to 10' or supplied straight from the unit

Applications:

- Temporary Structures
- Construction Sites
- Office Spaces
- Film Sets

This film set required a small unit that was able to easily be moved to varying set pieces. The powerful punch coupled with light weight made this the go to machine.

This warehouse needed to be kept warm so staff were able to function at their fullest. The small size was the perfect fit. Quiet yet powerful.

Electric heaters are ideal for office spaces like these. Able to sit directly in the room requiring heat, they deliver warmth where it is needed most with zero hazardous fumes.

HEAT...IN A HURRY

FURNACE

18 kW (HEF18H23)
