

COOL AIR™
RENTALS LTD

WATER COOLED PREMIUM PORTABLE

1.5 TON

These specialized units are perfect for cooling office spaces when the building cooling is either off or ineffective. All we need is a water source and a drain up to 100 feet away and we'll have you "chillin" in no time.

Features:

- Compact design
- Can be hooked up to any sink or faucet
- Enhanced control capabilities
- Auto restart after power failure

Applications:

- Office Area Cooling
- Laboratories
- Convenience Stores
- Network Operation Centres

In spaces where sound levels are a concern, these premium units are the perfect fit. Employees were kept comfortable and equipment operational with very little disturbance.

Temperature control in food storage is especially important to avoid product loss. This premium portable ensured optimal conditions were maintained while using minimal floor space.

An ideal application for this premium portable. The building system failed at the peak of a heat wave. We installed these portables and comfort levels were restored.

REAL COOL. REAL FAST.
