

# COOL AIR™ RENTALS LTD

## AIR COOLED INDUSTRIAL PORTABLE

## 3.5 TON

This popular 3.5 ton unit easily crosses over between film industry use and commercial/ industrial applications. It is completely portable and sets up in seconds. Cool air where you want it, quickly.

### Features:

- Cooling trouble spots has never been easier
- Waterproof construction ensures trouble-free exterior use
- Lightweight yet durable flex ducting hooks up in seconds
- Requires 208/230 volt single phase power

### Applications:

- Film Sets
- Temporary Structures
- Special Events - Festivals
- Construction Sites

This versatile performer is our most popular location unit. Compact size and effective cooling power make for a reliable solution.

When access to exterior balconies or patios is available, this unit will effectively cool office spaces up to 1,400 sq feet.

This is the ideal unit for small temporary structures. Can be positioned anywhere and still effectively provide adequate cooling. Simple controls and ease of set up make this a very user friendly unit.

REAL COOL. REAL FAST.
