

COOL AIR™ RENTALS LTD

AIR COOLED PORTABLE

1.5 TON

This is one of our best units for emergency cooling applications. This unit provides the most cooling capacity while still able to plug into standard 115 volt power. This workhorse is a fleet favourite when temperatures climb and tempers fray.

Features:

- Compact design
- Completely portable, sets up in seconds
- Auto restart after power failure

Applications:

- Computer Room Cooling
- After Hours Cooling
- Standby Cooling Applications
- Supplemental Cooling

When this office lost its cooling, this portable was able to return things to normal.

Emergency cooling situations are easily tackled with these simple to install units. This unit was ready and running in seconds.

These portables are ideally suited to computer room cooling applications. The temperature in this server room was heading in the wrong direction until this air cooled portable took over.

REAL COOL. REAL FAST.

AIR COOLED PORTABLE 1.5 TON (ACP1.5V11)
