

COOL AIR™ HEAT

ELECTRIC FURNACE - VERTICAL

22.5 kW

These three phase portable furnaces are ideal for film industry applications. They pack the big time heating punch that you are after and are perfect on location, either on set or in a holding area.

Features:

- Completely film industry ready
- Dry, safe and quiet
- No hazardous exhaust or troublesome re-fueling problems
- Warm air is ductable up to 50' or supplied straight from the louvered plenum shown here.

Applications:

- Tents
- Schools
- Film Locations
- Special Events - Festivals

When used in spot heating applications, these units can be fitted with a 90° plenum and industrial flex duct.

Warehouses and workshops that are either inadequately heated or completely unheated are made comfortable with the addition of these adaptable furnaces.

Temporary structures used during cold weather are damp and uncomfortable until these safe electric furnaces are introduced.

HEAT...IN A HURRY

FURNACE

22.5 kW (HEF22V23)

HEATING		PHYSICAL	
Medium	Electrical Resistant	Controls	Push Button, Thermostat, Remote Control
