

COOL AIR™ HEAT

ELECTRIC FURNACE - HORIZONTAL

40 kW

This industrial portable furnace is ideal for large scale heating applications. It packs the big time heating punch that you are after. It is perfect for locations such as tents and other temporary structures.

Features:

- Multiple kW range settings (40, 32, 16)
- Dry, safe and quiet
- No hazardous exhaust or troublesome re-fueling problems
- Ductable up to 50'

Applications:

- Temporary Structures
- Warehouses
- Construction Sites
- Manufacturing Areas

Keeping this lunch tent warm and comfortable was no problem for this horizontal electric furnace.

With a 600V service running directly into this studio space this 40 kW furnace was a perfect fit. The safe, dry heat ensured that construction of the set pieces was kept on schedule.

Special event spaces can be kept warm and dry with this horizontal electric furnace.

HEAT...IN A HURRY

FURNACE

40 kW (HEF40H63)
