

HEALTHCARE URGENT COOLING AND HEATING SOLUTIONS

PROBLEM SOLVED.

Efficient Systems

- Large, system-driven and centrally located bases in Vancouver, Edmonton, and Calgary.
- From equipment selection, shipping, and installation, every detail is planned and coordinated.
- Our full line is designed to be packed and shipped at a moment's notice. Want a turnkey solution? We'll set it up and get it fully operational.

Knowledgeable People

- Professional and dedicated, the Cool Air team is ready to take care of you.
- With years of experience facing the challenges of the healthcare industry, our friendly techs bring a wealth of industry know-how and a get-it-done attitude.

Reliable Technology

- Cool Air product innovations represent the best that the industry has available.
- Every unit is specifically designed and tested to work in a variety of situations.
- Rugged yet hospital clean, each unit has straightforward controls to ensure reliable, problem-free operation.

Our mission is to consistently pursue the highest standards of preparation, service and dependable performance for temporary heating and cooling solutions that enable our customers to prosper. Since 1995 our customers have turned to us for hassle-free solutions.
