

EVENT INDUSTRY COOLING AND HEATING SOLUTIONS

PROBLEM SOLVED.

Efficient Systems

- Large, well-stocked bases in Vancouver, Edmonton, and Calgary.
- From equipment selection to shipping, every detail is planned and coordinated.
- Our full line is designed to be packed and shipped at a moment's notice.

Knowledgeable People

- With years of experience facing the challenges of the events industry, our friendly techs bring a wealth of industry know-how and a get-it-done attitude.
- Tell us your challenge and we'll design and install a temperature control system that will give you the result that your clients are looking for.

Reliable Technology

- Cool Air product innovations represent the best that the industry has available.
- Every unit is specifically designed and tested to work in a variety of challenging event-related situations.
- Rugged, portable design and straightforward controls ensure reliable, problem-free operation.

Our mission is to consistently pursue the highest standards of preparation, service and dependable performance for temporary heating and cooling solutions that enable our customers to prosper. Since 1995 our customers have turned to us for hassle-free solutions.
